

MANDAR SUTAR

Web Developer

Profile

I am a student pursuing a career in Web Development 🌐 and Java Development ☕. I'm passionate about building dynamic, user-friendly applications and have experience with front-end 🎨 and back-end ⚙️ technologies like HTML, CSS, JavaScript, React, and Java. My strong foundation in Data Structures & Algorithms (DSA) 🔍 helps me solve complex problems and write efficient code. I am eager to learn, grow, and contribute to real-world projects 🚀. I look forward to collaborating with others and expanding my skills to make an impact in the tech industry.

Education

Bachelor of Engineering INFORMATION TECHNOLOGY

Datta Meghe College Of
Engineering - Airoli
2022 - 2026

HSC - SCIENCE

RCTS PMM Rotary School & Jr.
College
2022

SSC

RCTS PMM Rotary School & Jr.
College
2020

Skills

HTML , CSS , JavaScript
React
Java
MYSQL
Data Structures
Git - GitHub

Projects

- Orphanage Agile - Standalone Orphanage Management System

Developed a comprehensive orphanage management system using Java and NetBeans, with a MySQL backend. This application simplifies operations such as managing resident details, donations, staff, and reporting. Designed to ensure data integrity, security, and ease of access for orphanage administrators, enhancing operational efficiency.

Volunteering Experience

- NSS Volunteer

Active NSS Volunteer at Datta Meghe College Of Engineering

Certificates

- DMCE Hackathon 2.0

Certificate of appreciation for participating in DMCE Hackathon 2.0
